VOL.40

Fall 2025

WELCOME BACK:
Another fundraising season is about to begin.
Let's get started.

Check out our **Five Helpful Tips** to increase sales and member participation:

- 1. Advertise Your Sale** – There's no limit to where you can promote your sale! Place ads in church bulletins, local newspapers and radio stations. Hang flyers/posters at school, doctors' offices, sporting events, etc. And don't forget about Social Media! See the back of this newsletter for details about our Co-Op Advertising Program.
- 2. Use Our eCommerce Website** – Easy to set up and convenient for both members and customers to place their order online. Expand your selling area with our Direct Delivery Program.
- 3. Contact Previous Customers & Alumni** – Use all your resources to maximize your profits!
- 3 a. Create a Customer Database** – Every year we get calls from customers who want to purchase fruit but were never contacted by a group member. Create a database from your previous year's online, and brochure customers and contact them by email or by phone. Remind your members to use their brochure from last year to contact their customers again.
- 3 b. Ask Alumni To Help** – Your alumni can be a great resource for your fruit sale. In addition to possibly purchasing fruit, they can provide their own customer lists and help in spreading the word about your fundraiser.
- 4. Schedule a kickoff meeting** with your members to discuss the benefits of the fruit sale fundraiser. Include a cover letter with each member's brochure to explain how the profits from the fruit sale will help the group and/or members raise money for future trips, conventions, or for new uniforms, jackets or for the general fund.
- 5. Increase seller participation** by offering cash or gift card incentives for the members who reach the group's sales goal. Include rewards to the top sellers by group or by grade level. Encourage members to email the eCommerce link to their customers to help reach their goal. Have a pizza party for everyone who reaches their goal.

Whether you are looking for ways to increase sales or member participation, please contact us with your questions.

We are always here to help you achieve your fundraising goal.

Brochures & Flyers

Pee Jay's has the largest selection of fresh fruit items compared to other fruit suppliers. We have a variety of brochures and sales flyers available to promote your fruit sale, and each flyer has its own tally sheet.

- **Fruit Brochure:** Contains all of our fresh fruit items.
- **Fruit & Cheesecake Brochure:** Our entire catalog of fruit items PLUS three delicious New York style Cheesecakes.
- **Customized Flyer:** You may choose up to ten items for your sales flyer. If you choose an item that is packed in different sizes, such as Navel Oranges, you can choose more than one size and

will count as one item on your flyer. Also, all three cheesecakes will count as one item. We will add your selling cost for each item on the flyer.
